

The Metro

The network of the Light Rail, completed in Salerno, spread over about 8 km and connects the historic center with the Stadio Arechi in a journey time of about 15 minutes.

The seven stations made are as follows: via Vernieri M2, M3 Train station-Centre, M4 via Robertelli-Tower, Via Rocco Cocchia-Pastena M5, M6 Mercatello Park-Mariconda, Arbostella M7, M8 Arechi Stadium.

The stops have been identified to serve the most densely populated districts of the city. It has been estimated, in fact, a catchment area of 25 000 users in the Metro stations.

The service operates between Central Station - Stadio Arechi. The daily runs are 58 and time has been modulated to allow connections with trains towards Duomo-Vietri-Cava and trains heading Irno-Fratte-Mercato San Severino.

The intervention led to a significant reduction of the traffic flow on the east - west, the eastern suburbs to the city center.
